 Fee B - Over 60 on 01/09/08
 Fee C - Benefit or 16-18 on 01/09/08

Early booking and prior payment help us to see whether a course will be viable well before it is due to start. Some courses have limited places so early booking is essential. Further information about the courses is available on our website.

By post: Please tell us which course you would like to book and enclose a cheque in payment. You may post-date the cheque to the course start date.

By phone: Call us on **015396 21031** for information or to reserve a place. Leave a message if we are not around.

By Email: Send us a message at admin@sedberghcdc.org.uk and include your telephone number and address.

If reserving by phone or email please then forward a cheque to confirm your place.

Make cheques payable to Cumbria County Council and add a £2 annual centre fee per person (not per course)

Look out for a copy of our full colour brochure in local libraries, shops etc. This gives further info on these courses plus our large range of new classes in Kendal
